Accident cannot be prevented
but they can be prevented
from turning fatal

Accident Relief Care (INDIA) PVT. LTD.

ARC is formed with the objective to make Bangalore a fatality free zone. As we all know accidents cannot be prevented, but with general awareness of the people and with timely medical help lot of accidents can be prevented from turning Fatal. The most important factor immediately after an accident is the time taken to transfer the accident victim to the nearest hospital for immediate treatment. The time taken should be minimized and thus the "CRUCIAL HOUR" should be saved.

- Basic coverage under ARC is upto 1 Lakh hospitalization (only for accidents), 1 Lakh for death, upto 1 Lakh for permanent disability
- Snake bite, Dog bite & Insect bite outpatient expenses will be covered
- Cashless facility available from network hospital
- Discount in ARC Recognised Diagnostic centres
